February 9, 2023

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation limits the legal liability of private parties. Any resulting fiscal impact will be realized by those parties.
- The narrowing of circumstances under which a qualified civil liability action may be brought against dealers, manufacturers, and sellers of firearms, ammunition, and their components is not estimated to significantly reduce the burden on state or local courts.
- Any fiscal impact to state or local government is therefore estimated to be not significant.
